WOMAN:

Thank you all so much for being here to celebrate the successful career of Mi Young. My name is Jeong Hee, and I have worked with Mi Young for over 25 years. I've always admired her sense of humor and her strength in the face of adversity.

I remember when Zippy Coffee was going through some rough years. Mi Young told us to keep our focus and energy and keep drinking espresso.

[LAUGHTER]

Mi Young, we wish you well and we're all going to miss you. To Mi Young.

Congratulations.
