

Citation at a glance

Section in a Web document **APA**

To cite a section in a Web document in APA style, include the following elements:

- | | | | |
|---|--|---|-------------------|
| 1 | Author(s) | 3 | Title of section |
| 2 | Date of publication or most recent update (“n.d.” if there is no date) | 4 | Title of document |
| | | 5 | URL of section |

WEB DOCUMENT CONTENTS PAGE

The screenshot shows a web browser window displaying the '2010 Minnesota Health Statistics Annual Summary' page. The browser's address bar shows the URL: <http://www.health.state.mn.us/divs/chs/annsum/10annsum/index.html>. The page features the Minnesota Department of Health (MDH) logo and navigation links for HOME, TOPICS, and ABOUT US. On the left side, there is a sidebar with various links under categories like 'General Statistics' and 'Topic-specific Statistics'. The main content area is titled '2010 Minnesota Health Statistics Annual Summary' and includes a brief description of the report. Below the description, there is a section for 'Individual Sections' with a list of links to various reports. A callout box labeled '3' points to the 'Fertility (PDF: 14KB/2 pages)' link. Another callout box labeled '4' points to the main title of the document. A callout box labeled '1' points to the MDH logo. A callout box labeled '2' points to the 'Fertility' link in the 'Individual Sections' list.
