

## Citation at a glance | Article from a database (MLA)

To cite an article from a database in MLA style, include the following elements:

- |   |  |   |   |
|---|--|---|---|
| 1 | Author of article                      | 6 | Page numbers of article (“n. pag.” if there are none) |
| 2 | Title of article                       | 7 | Name of database                                      |
| 3 | Title of periodical                    | 8 | Medium  |
| 4 | Volume and issue numbers (for journal) | 9 | Date of access  |
| 5 | Date or year of publication            |   |   |
