<b>Types of Goals</b>	<b>Immediate (this week)</b>	<b>Short Term (this term)</b>	<b>Long Term (this year)</b>
<b>Example: Academic</b>	I will list all of my tests and project due dates on my academic calendar.	I will make a file folder to keep my own test and exam grades in case there is a discrepancy with my final course grades.	I will search online for graduate school programs in my field to determine if I have the grades and scores to be admitted.
