Writing Center

Career Center

Transfer Center

Adult Reentry Center

Veterans Office

International Student Services

IF YOU NEED HELP . . .

selecting courses, obtaining information on degree requirements, and deciding on a major.

with memory skills and studying for exams.

using Word, Excel, PowerPoint, and email.

dealing with personal problems and stress management.

improving your math skills.

writing your first paper or revising a first draft.

with career interest assessments, counseling, finding a major, job and internship listings, interviewing with prospective employers, and preparing résumés and interview skills.

finding information about transfer policies, programs at four-year colleges and universities that you can transfer to, and meeting the requirements of transfer.

as a returning student, in making supportive contacts with other adult students and gathering information about services such as child care.

as a veteran, in managing financial aid and paperwork.

as an international student, in making the transition to a new country and culture as well as to the college.
