## Research Project in Progress 3

For the topic you worked on in Research Projects in Progress 1 and 2, locate a minimum of six sources that answer one or more of your research questions. Your sources should include at least one book, one magazine article, one scholarly journal article, one Internet source, and two other sources of any type. On a scale of 1 to 5 (where 1 is low, 5 is high), rank the relevance and reliability of each source you located using the guidelines provided in Chapter 22, pages 569-72. Use the following chart to structure your responses.
